

IGUDESMAN & JOO

BEETHOVEN'S NIGHTMARE

## Beethoven's Nightmare

Imagine if Beethoven woke up from his cryogenic tomb only to "hear" what people are doing to his music today... would he just wish to be dead again? IGUDESMAN & JOO tackle this question with their signature mischief and fun, reinventing and recomposing the musical genius of the great mastermind Beethoven and offer a wide variety of products to suit the needs of every client.

The season's hottest line features "Beethoven's Nightmare" - You've heard about the seven circles of Hell, but what about the seven circles of Beethoven? Let IGUDESMAN & JOO guide you as you descend through the composer's haunting nightmares and multi-layered personality, not to mention witness a stylish choleric outbreak or two.
