IGUDESMAAN & JOO

## A nonstop musical roller coaster

It's time to buckle up because when IGUDESMAAN & JOO seize the baton to the start an orchestral show, things will definitely get crazy. Speed through the spectacular "Ring in the Classics," a symphonic Nokia ringtone poem by IGUDESMAAN & JOO, crash headfirst into a never-ending battle between soloist and conductor, and swoop the loop-the-loop in a display of Man vs Machine (or in this case: remote control)!

Witness IGUDESMAAN & JOO's riotous "Ride of the Oy Veykyries," a lively, klezmer-infused version of Wagner's most famous piece that will be sure to have the grim German rolling in his grave...
